

## 27-day Ramadan 2020 Kids Challenge

### Structure – 10-minute session

5 minutes	Islamic talk	Basic Islamic teachings taught through stories and examples. Covering aspects of Fasting, Praying, Akhlaq and History.
3 minutes	Challenge time	Two daily tasks set – 1. Islamic challenge 2. Islamic activity
2 minutes	Review children's work	Work that has been received from children to be shared.

### How it works?

1. There will be a daily talk about an Islamic concept which will be uploaded by 9am daily. Children can watch this video at a time that best suits them during the day.
2. After the talk a challenge will be set for the day. The challenge will be introduced. Many challenges will have two levels so children and parents can choose what best suits their ability. Children will be invited to set challenges for other children.
3. An activity will also be set for the day related to the talk with ideas given of how the activity can be completed and materials shared.
4. Activities and progress with the challenge should be sent via email to [kids@gateofknowledge.co.uk](mailto:kids@gateofknowledge.co.uk)
5. Work sent in will be shared with all children during the sessions.
6. Prizes will be awarded on Eid in the following categories –
  - Best Participation
  - Best Effort
  - Creativity

The number of prizes for each category will depend on the number of participants.
7. All children will be awarded a certificate of participation on completion of the challenge.
